From Jane

Some of you have already heard about the woman who came forward for baptism at a recent service in Winterborne Zelston. It was a joy and privilege to respond to that request and baptise her there and then. What an honour for us as a church when people discover something of the good news of God's love for themselves.

New contacts bring new life to our congregations, one couple, one family, one new person at a time. Please continue to pray for Angela and all those who are planning to be baptised across our churches in the coming months.

Weddings, funerals and christenings are a huge opportunity for people to experience church, some for the first time. Many of them in age groups not often seen in our regular congregations. Please join in welcoming people and ensuring their experience of being in one of our churches is a good one.

With every blessing,
Jane

Those who have recently died: Anthony Johnson, Evan Waterman, Sally Warrender, Diana Butcher, Mark Bradford, John Pritchard and Len Burden.
